THE SITUATION

Four locals - Declan, Maeve, Finn, and Siobhan - each ate a different food, drank a different pint, and headed home at a different hour after a long night at the festival. Use the clues below to figure out exactly who ate what, who drank what, and who stumbled home when.

CLUES

- Maeve went home exactly one hour after the person who drank Cider, and exactly one hour before the person who ate Stew.
- Declan drank the Stout but did not eat the Pie.
- The person who left at Midnight ate Boxy.
- Finn left at 10 PM but did not drink Ale or Lager.
